Bike Hotel L'Approdo is your Road & Mountain Bike resort in Italy

The region around Lago d'Orta offers some of the greatest Road cycling & Mountain bike routes in Italy. Surrounded by big mountains, forests, and nature you will come across Lago d'Orta. Also nicknamed "The small sister of Lago Maggiore". You will find the best cycling trips for every rider! When you are not riding you can store your bike safely at the hotel. The hotel staff knows the area very well and can give you advice about cycling routes. One of the highlights is the island of Lago d'Orta, there are historic buildings worth visiting on the island. The true highlight is the Roman basilica. On the east side of the lake, you will find the Mottarone. The Mottarone is the highest mountain (1491 meters) and is a very popular cycling destination.

The Italian lake district is a road cycling & mountain bike paradise with countless opportunities. Explore the best cycling routes in the lake district! When it comes to cycling, this is the perfect place for a cycling holiday. If you need tips or help with cycling in this area, you can always ask at the reception. They will provide you with the information you need. There are lots of challenging climbs around Lago d'Orta for road cyclists! Cycling high above the lake and enjoying the beautiful views from above. The mountain climbs have are varying in difficulty. Explore the beautiful region on your bike and enjoy the stunning scenery & medieval villages at

their finest.

After cycling in the mountains it is time to relax! You can do many different watersports at the Lake d'Orta such as wakeboarding & snorkeling. Or enjoy a great meal & drink at the hotel. Tomorrow is another day full of healthy exercises!
