Road Bike rentals Puglia

Puglia is a beautiful cycling region in the heel of Italy with rolling landscapes and rugged nature. Cycle along the infinite fields of olive trees and vineyards. Enjoy the colourful Italian landscapes and discover the charming villages with their beautiful buildings during your cycling holiday. Puglia has the perfect roads for your cycling trip. They are perfectly paved and almost traffic free. Cycle along the coast line of Puglia or discover Italian culture in cities such as Bari with its beautiful harbour. Puglia has a very varied landscape with typical Italian villages, cosy cities and a lovely nature with challenging climbs and hilly landscapes.

In the south of Italy you will find Puglia and Basilicata. Two unique regions right between the Ionian Sea and the Adriatic Sea. Cycling through the “heel of Italy” is a very special experience. Pass vineyards and olive groves on your way through charming beautiful towns like Trani, Altamura, Massi or Alberobello. Would you rather see more culture? Puglia is especially relevant for its architecture, scenic squares and museums. Puglia is known as the garden of Italy for its food, olive oil and wine production so don’t hesitate and taste the Italian wines of Puglia.
