BIKE HOTELS EUROPE

The Ciclopista del Sole, the Sun Route (which in its full length goes from Brennero to Firenze) is already a classic: almost all flat with majestic mountains all around, safe and well signposted, with good bike grills where to enjoy a drink at open-air tables and nice cities where to stop at. The path initially goes through a peculiar area of Italy: a region where the language, the history of places, and the typical recipes are very much in keeping with German tradition. Enjoy this easy itinerary and the satisfaction of biking to the nice cities of Bolzano, Trento, Rovereto, and Verona.

Highlights of the tour:

- A safe bike path among the mountains
- Bolzano, Trento, Verona (UNESCO Heritage Site)
- Let yourself be surprised by the beauty and Lake Garda

Itinerary

Departure from Verona & transfer to Bolzano

Individual arrival in Verona. Meet & greet and Bike fitting in Verona; Van transfer of people, bikes, and items of luggage to Bolzano. Overnight in Bolzano Overnight in Trento.

Day 2

From Bolzano to Trento - 65km

Bolzano is a city rich in history, influenced by Germanic culture, and surrounded by the Alps. Take some time to visit Piazza Walther and the narrow central alleys, or visit the museum where the Otzi mummy is kept. The bicycle itinerary goes South along the verdant Adige Valley and crosses immense fields planted with honeycombs and vineyards, always on a flat bike path. Along the way, the village of Egna, an ancient market town with beautiful streets flanked by arcades, deserves a visit. Finally, you'll arrive in Trento. Overnight in Trento.

Day 3

From Trento to Brentino Belluno- 60km

Leave Trento and continue pedaling along the Adige River, in an area dotted with castles, towers, and forts, such as the mighty Beseno Castle, which dominates the valley from the top of a hill. We recommend a small detour to visit the beautiful historic center of Rovereto, made up of narrow alleys permeated by a medieval atmosphere. The itinerary continues South, through the town of Ala, with its beautiful noble palaces, and finally arrives at the small village of Brentino Belluno, the destination of the day. Overnight in Brentino Belluno.

Day 4

From Brentino Belluno to Verona - 63km

The cycle path runs along the wildest stretch of the Val d'Adige. The valley becomes narrower, guarded by high mountains, the rarest towns, and the valley floor covered with immense vineyards surrounded by woods. The route then leaves the cycle path and heads towards Lake Garda. In Bardolino, you'll finally touch the blue waters of the lake and finally return to Verona following the Adige cycle path. Overnight in Verona.
